SWEET ADELINES INTERNATIONAL
ATLANTIC BAY-MOUNTAIN REGION #19
2016 History Book Contest
Guidelines/Rules/Scoresheet

Chapter _____

Year _____

The purpose of the history book contest is to encourage chapters to keep a record of activities in an orderly and attractive manner.

FACTUAL CATEGORIES	SCORE
COMPLETENESS (5 points): All events sponsored by your chapter should be covered by some type of enclosure and be as complete as possible. Also include Sweet Adeline events attended by your chapter members, F.L.A.S.H., Regional or International photos taken of your chorus and any competing quartets should be included.	
ACTIVITIES (15 points) Identify place, date and any other pertinent details of all events. Persons in photos should be identified by first and last names: however a crowd shot could be treated as an event. Use clever captions.	
CHAPTER PERSONNEL (10 points) Elaborate on the "Who's Who" of your chapter such as officers, board members, directors, assistant directors, committee chairmen, quartets and members acting in a regional or international capacity.	
REPORTING PERIOD (5 points) Material should represent the fiscal year- May 1 through April 30. If competition or annual show falls in May, you may include it, since both are activities, which take months of chapter preparation.	
CHRONOLOGICAL ORDER (15 points) Enter material in chronological order, however, special projects, which span a period of time such as show preparation, may be spotlighted in a special section.	
COVER AND TITLE PAGE (10 points) The cover and title page are important. The cover should be sturdy and attractive. Identify chapter and reporting period. This is a good place to initiate a theme that will tie together the activities of the year.	

FACTUAL CATEGORIES	SCORE
VARIETY (10 points) Decorate with a variety of memorabilia, such as clippings, articles, photos flyers, souvenirs, artwork etc.	
LAYOUT AND COMPOSITION (15 points) The book should be well balanced and easy to read. Pages however should not be overcrowded or stretched to the point of looking bare. Neat and attractive placement is crucial.	
ORIGINALITY (15 points) The entire history book will be judged originality, imagination, and good taste	
OVERALL TOTAL SCORE (100 points)
